## SUNY Cobleskill Internships – Timeline & Checklist for Registration

Internships require time and planning to arrange. The instructions below are designed to make the process of registering for your capstone academic internship as smooth and simple as possible to ensure a quality experience.

## USE THIS DOCUMENT AS A CHECKLIST DURING YOUR INTERNSHIP REGISTRATION PROCESS

intended internship.  3–6 months before start of internship:  Secure a Faculty Internship Supervisor and discuss career goals and internship interests.  Send inquiries and resumes to employers and potential internship sites that match your interests and goals.  Review the Internship Student Learning Outcomes on the Objectives and Activities form for your major to prepare for your interviews.  Once you've secured an internship, work with your Site Supervisor and Faculty Supervisor to develop your Objectives & Activities for your internship.  Meet with the Coordinator of Internships if you have any questions about the internship registration process, deadlines or forms.  2–3 months before start of internship:  Complete Internship Learning Agreement (ILA) web form and submit it by the deadline for your internship semester. Check your email frequently to complete the signature process on your ILA. Register for INTR 400 for the semester in which you plan to intern.  Complete a FAFSA if applicable for Financial Aid for the academic year or semester in which you plan to intern.  One month before the start of internship:  Verify in Banner Web that INTR 400 has been replaced with your major specific internship course.  Meet with your Faculty Internship Supervisor to review the syllabus for your internship, reporting requirements and how you will be graded.	6 or m	ore months before start of internship:
