**COLUMBIA-GREENE COMMUNITY COLLEGE**

*April 2018*

This agreement establishes procedures to facilitate the easy transition of qualified Cyber Security/Digital Forensics Associate in Science (A.S.) degree graduates from Columbia-Greene Community College (C-GCC) to the *proposed* Cybersecurity Bachelor of Technology (B.T.) degree program at the State University of New York College of Agriculture and Technology at Cobleskill (SUNY Cobleskill).

Objectives of the Agreement

1. To provide a transfer path to qualified C-GCC graduates who want to enhance their education and careers by pursuing a bachelor's degree.
2. To assist academic advisors with pertinent academic information for students who wish to continue their education in an upper-division program.
3. To attract qualified students to C-GCC and SUNY Cobleskill.
4. To facilitate the exchange of information between faculty and administrators in order to improve this program and streamline the transfer process.

Terms of the Agreement

1. C-GCC students who have completed the Associate in Science degree in Cyber Security/Digital Forensics and the courses outlined in the addendum, with a minimum 2.25 cumulative grade point average, will be guaranteed admission into the *proposed* Cybersecurity BT program at SUNY Cobleskill with full junior status.
2. Transfer students must complete and file the SUNY Admissions Application indicating transfer to SUNY Cobleskill prior to November 15 for spring semester entry, and prior to May 15 for fall semester entry.
3. All required and elective courses bearing the major field prefixes, must have C grades or better to be accepted for transfer credit.
4. Students who do not meet the requirements of this agreement will also be considered for admission. They will be evaluated on an individual basis.

Review and Revision of the Agreement

This agreement will be reviewed, after it is officially approved by SED, for changes during the proposal process. A new agreement will be submitted for signatures if changes have been made. At the request of either party, a review of the Transfer Articulation Agreement will be conducted by both institutions.

Termination

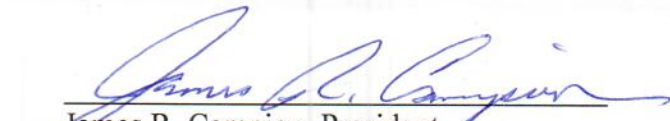

This agreement shall remain in force from April 2018 until such time as either institution elects to terminate it. Termination by either institution will be announced with sufficient anticipation to assure any students enrolled at C-GCC the opportunity to be admitted to SUNY Cobleskill under its terms.

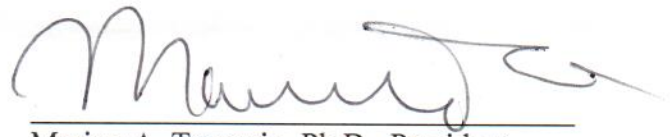

Effective Date and Signatures

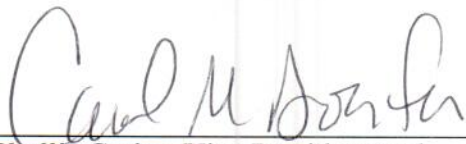

This agreement will become effective April 2018, upon acceptance of Agreement with appropriate signatures.
