Under the federal *Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act)*, postsecondary schools are required to disclose statistics for certain crimes that occurred on campus and on public property within and immediately adjacent to school-owned buildings and property. In addition, we are required to collect statistics from other non-campus locations where our students were housed for an activity that “supports or is used for our educational purposes.” In the statistics we are required to include crimes that were reported to our department as well as crimes reported to local and state law enforcement agencies.

The reported offenses that need to be considered are:

- Murder/Non-negligent Manslaughter
- Manslaughter by Negligence
- Rape
- Fondling
- Incest
- Statutory Rape
- Robbery
- Burglary
- Aggravated Assault
- Motor Vehicle Assault
- Arson

We are also required to disclose statistics for any of the above-listed offenses that were categorized as Hate Crimes. In addition, we are also required to report any incidents of Larceny-Theft, Simple Assault, Intimidation, or Destruction/Damage/Vandalism of Property that were classified as Hate Crimes. We are required to report the category of bias for each of these incidents that were classified as a Hate Crimes using the following eight categories: Race, Religion, Sexual Orientation, Gender, Gender Identity, Disability, Ethnicity, and National Origin.

In addition, if possible, please report statistics for **arrests only** for the following Uniform Crime Reporting (UCR) categories: Liquor Law Violations, Drug Abuse Violations and Weapons, Carrying, Possessing, Etc., which may have occurred at said location during the specified, times.

laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from the person's acts under the domestic or family violence laws of the jurisdiction.

Dating Violence: The term "date violence" means violence committed by a person – (A) who is or has been in a social relationship of a romantic or intimate nature with the victim; and (B) where the existence of such a relationship shall be determined based on a consideration of the following factors:
